DONT BE FOOLED BY WORKERS UNITED LIES

This Union has lied every time to the members during bargaining. Enough is enough. They will promise things, just to win the vote. Workers United only cares about collecting your hard earned money. Do you want to be a sheep or a Lion? CAWU=LION

CAN I LOSE ANYTHING VOTING FOR A GREAT UNION?

NO!! The Labour Relations Act protects working conditions of employees who change Unions. To verify call the Ontario Labour Relations Board: 416-326-7500

DO YOU WANT A UNION WHO WILL FIGHT FOR YOUR RIGHTS?

or a Union like your current one that makes deals with the Company to hurt the employees. This is why TJX supports Workers United. Unions should not be friendly with the Boss

DO YOU WANT TO PAY LOWER DUES?

CAWU dues are much lower than your current Union (\$35/month). This means you will get more services and protections and keep more in your pocket.
